The Imperial County/Mexicali Air Quality Task Force was created under the new U.S.-Mexico Border 2012 Environmental Program. This taskforce was developed from stakeholder groups already working in the region. The primary goal of the taskforce is work collaboratively with the regional workgroups to identify and prioritize regional air quality issues that affect border communities. We look forward to your active participation and input.

Below is a preliminary Agenda:

- Update from the Border 2012 Task Force Training
- Update from the Regional Workgroup Meeting
- Review of where we were (binational groups), where we are (Imperial-Mexicali Air Quality Taskforce) and where do we want to go (a combination of the all regional activities)
- Discussion of best way to set and reach our goals
- Stakeholders Questions and Answers

The meeting will include simultaneously interpretation. For more information about the meeting you may contact: Christine Vineyard at (415) 947-4125, U.S.-EPA Region 9.
